## Objective

Highly motivated college student who is looking for an opportunity to make my way into an IT related field that is both challenging and rewarding in the experience that the position provides. Currently enrolled at UCF and majoring in Information Technology.

## Education

High School (2015 - 2019)

Windermere Preparatory School, graduated May 25th, 2018 with a 3.2 GPA.

College (2019 - 2023) (*Currently Enrolled*)

University of Central Florida, majoring in Information Technology.

## Experience

IT Development Intern at Loxley Services

NOV 2020 - Present

- Helped create and update forms for the purposes of document generation automation, to better assist veterans in acquiring their earned compensation.
- Further developed experience using tools such as Git and Bitbucket to assist in version control.

Burlington sales floor associate

SEP 2018 - DEC 2018

- Collaborated with coworkers to arrange the store in a presentable manner and answer any customer questions as a part-time sales floor associate.
- Developed important team collaboration skills, as well as improving my own communication skills.

## Technical Skills & Languages

- Microsoft Office Suite.
- C, C#, GDScript, Jinja, HTML, CSS, Java, and Javascript.
- Adobe Photoshop and Adobe Illustrator.
- OS experience: Windows 7/8/10, iOS, Android, Chrome OS.
- Intermediate at speaking and understanding Spanish.
